Highlights of Nagato City – Motonosumi-jinja Shrine

Featured in CNN's "31 Most Beautiful Places in Japan."

Motonosumi-jinja Shrine is famous for its 123 red torii gates that beautifully stretch towards the Sea of Japan.

Highlights of Nagato City – Motonosumi-jinja Shrine

It's known for the “Torii of Happiness,” where visitors make wishes. The breathtaking view of 123 red torii gates stretching across Motonosumi-jinja Shrine is truly remarkable, and it is said that if you manage to toss a coin into the offertory box placed on top of the large torii gate at the end, your wish will come true.

Highlights of Nagato City – Omijima Island Cruising

Experience the unique charm of Omijima Island on a sightseeing boat tour, offering an up-close view of its dramatic coastline.

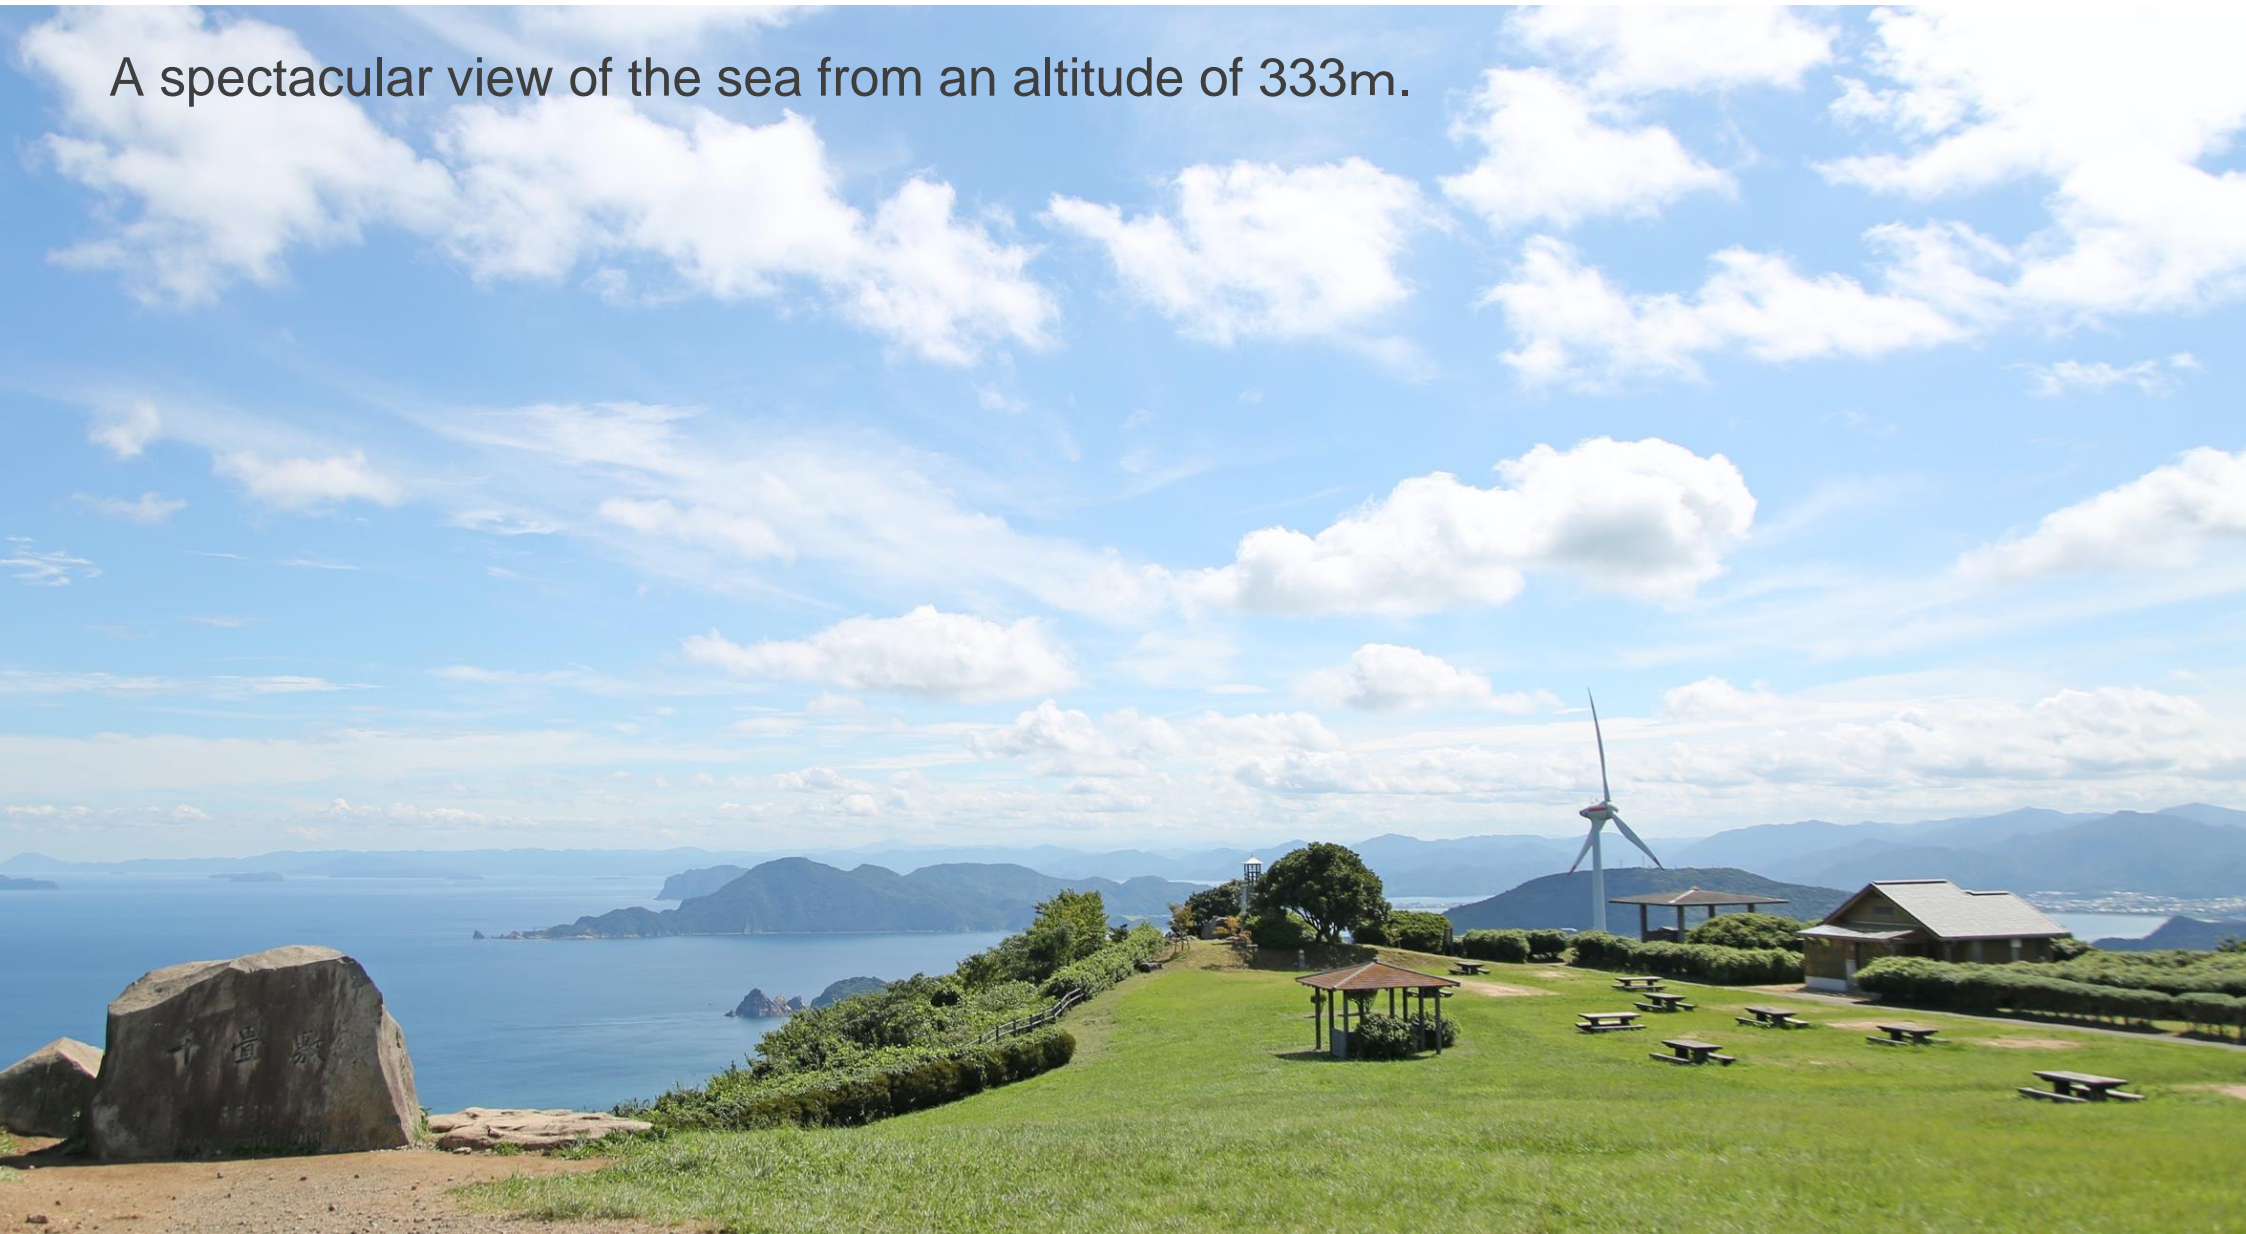

Highlights of Nagato City – Omijima island Trekking

The highlight of the journey is venturing into sea caves such as the iconic 'Meoto Cave' (Husband and Wife Cave), where you can marvel at the natural rock formations shaped by centuries of waves. This rare opportunity to explore the hidden wonders of the island makes the cruise an unforgettable adventure for nature lovers and photographers alike.

Highlights of Nagato City – Senjyojiki

A spectacular view of the sea from an altitude of 333m.
